Easy Clean

Discover the new world of the EHEIM professional 3 filter

- ✓ powerful output
- ✓ very quiet smooth running
- ✓ high energy efficiency
- ✓ top EHEIM quality
- ✓ new design
- ✓ ready to start

- 1 Integrated **automatic self priming** for quick filling of the canister.
- 2 **Safety hose adapters** with easy to use locking mechanism – the adapter can only be opened when the hose taps are closed.
- 3 Top of canister **pre-filter** securely traps larger dirt particles, significantly increasing maintenance intervals of the bio-media. Simple to remove and easy to clean.
- 4 Individual, easy to fill filter baskets. **Complete** with Original EHEIM filter media. (professional 3 250/350/600).
- **High quality ceramic spindle** and sleeve guarantees very quiet running smoothness and extremely long life.
- **Everything included - Ready to start** Completely equipped with filter media (professional 3 250/350/600) and all installation accessories.
- **Easy Clean** Simple and safe cleaning of the filter media using the filter basket cover (professional 3 250/350/600).

350T Thermo

Cleaning, circulating and at the same time maintaining the exact temperature

The powerful and very convenient EHEIM thermo-filters are not only equipped with the full range of features of the professional filter range, but also with a high quality heating element. Thus they heat and filter your tank easily and simply.

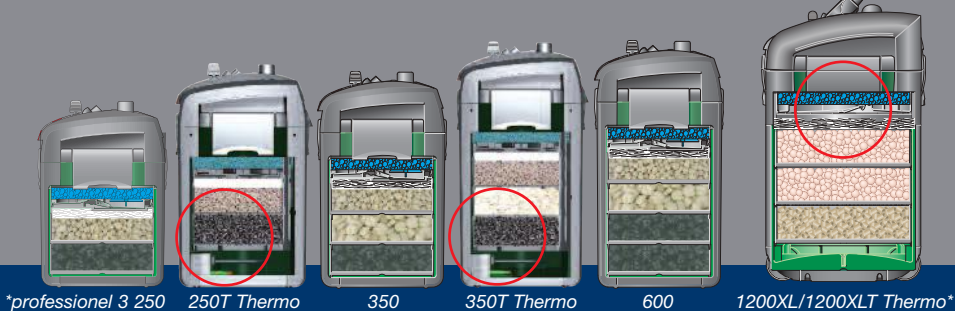

- An easy to read and precise LED display shows the exact water temperature.
- With a simple press of a button, the desired temperature can be precisely and easily set.
- The integrated temperature control gives a precise setting of 18-34C or 65-93 F (only on 1200XLT).
- 2+1 safety hose adapter - 2 inlet connections and 1 outlet connection ensure optimum water circulation throughout the aquarium (only on 1200XLT)
- Output display - easily visible in the adapter - shows the filter's performance (only on 1200XLT)
- Attention! Only for fresh water
